The Webster Library became a member of the Statewide Library Development program in May. Through this program, a grant-in-aid of \$100 was received for fiscal 1968 to be used for the purchase of reference books. These books are now on order. Mrs. Joan Robillard has been appointed by the trustees to serve as representative to the Central District Advisory Council.

The weeding of books is nearly finished and a shelf list has been compiled for the adult fiction. At present, we are classifying the non-fiction with the aid of our District Consultant.

Afternoon library hours have enabled the school children to make greater use of the library.

Donations of some excellent volumes were made by Mrs. Amy Nichols and by Mr. and Mrs. Peter Grant.

FIRE CHIEF'S REPORT

This has been a very outstanding year in more ways than one. I am very proud of the men in the Fire Dept., for the way they all helped to change the equipment from the old truck to the new one. It sure helped to keep the cost down.

We have purchased several new radios that have been paid for mostly through our once a month club. These two way radios are a great help in making fast reports for getting help to a fire.

We have been lucky as far as fires are concerned. We had one major fire at Robert Robillards and we got many compliments for the good work done by every one who took part in fighting the fire.

Our forest fires in town have been very small as compared to other towns. Once again I will thank the people of the town of Webster at our last town meeting for the cooperation in making it possible to purchase a new truck.

Respectfully submitted,
Kenneth F. Hoar
Fire Chief
Hy-Mar Fire Company

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. — 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

CEMETERY COMMISSION

The cemetery commission is still in the process of remapping and setting up a card index file of the three cemeteries.

This past year we purchased a used International Cadet riding tractor with a rotary mower, a Goodall walking mower and a Goodall trimmer.

We have inquired into the availability of land to enlarge Riverdale but haven't anything concrete at this time.

All lots spoken for should have their corner stones in order to aid the sexton during winter months.

Trust funds will gladly be received.

REPORT OF TOWN AUDITORS

We have this day examined the accounts of the Selectmen, Treasurer, Town Clerk, Tax Collector, Trustees of the Trust Funds and Road Agent for the year 1968 and find them correctly cast and properly vouched.
